

Smart Electronic Deadbolt Lock

Description

Revolutionize Your Home Security

Introducing the future of home security – the Smart Electronic Deadbolt Lock. Designed for modern living, this lock combines convenience with high-level security, ensuring your home is safe and accessible to you at all times. With its sleek design and versatile features, it's the perfect addition to any home, blending seamlessly with various door types.

Key Features and Benefits

- **Multiple Unlocking Options:** Choose from Remote Control, Mechanical Keys, Password, Bluetooth, APP, or WIFI for easy access.
- **Advanced Connectivity:** Equipped with Bluetooth and WIFI, integrating seamlessly with smart home platforms like Alexa and Google Assistant.
- **Robust Protection:** Boasts an IP66 Protection Level, ensuring it stands up to various weather conditions.
- **Universal Compatibility:** Designed to fit doors with a thickness of 38mm~48mm (1.5?~1.88?), suitable for wooden, brass, stainless steel, and other door types.
- **Durable and Stylish:** The powder-coated finish not only adds elegance but also ensures longevity.

Why Choose This Smart Lock?

Our Smart Electronic Deadbolt Lock isn't just a lock; it's a smart solution for your home. It's perfect for those who appreciate the blend of technology and security. With its wide temperature range of -4°F to

122°F and waterproof rating of IP65, it's built to withstand challenging weather conditions, making it ideal for both internal and external doors. Its compact size of 2.7 x 6.7 x 3.1 inches ensures it fits neatly on your door without being obtrusive.

Whether you're at home or away, control and monitor your door's security with ease. The need for traditional keys is eliminated, providing a keyless, hassle-free lifestyle. It's particularly beneficial for busy families, Airbnb hosts, or anyone who values the combination of convenience and security.

How to Get Started

Setting up your new Smart Electronic Deadbolt Lock is straightforward. While it requires 4 AA batteries (not included), our comprehensive preparation guide and installation videos make the process simple and user-friendly. Should you encounter any issues, our dedicated customer service team is always ready to assist.

Take Your Home Security to the Next Level

Don't wait to upgrade your home security. Embrace the convenience and protection of the Smart Electronic Deadbolt Lock. Click to purchase now and start enjoying a safer, smarter home today!
