

Spring Women's Natural Leather Mary Jane Pumps

Description

Elegant and Comfortable Spring Mary Jane Pumps

Step into elegance and comfort with our new Spring Women's Natural Leather Mary Jane Pumps. Crafted from genuine sheepskin leather, these shoes are designed to provide a perfect blend of style and durability. The pointed toe and buckle strap add a touch of sophistication, making them ideal for both casual and formal occasions.

Product Features

Our Mary Jane pumps are handmade with meticulous attention to detail, ensuring high-quality craftsmanship. The upper material is genuine sheepskin leather, providing a soft and luxurious feel. The lining is made from genuine pigskin leather, which adds to the comfort and breathability of the shoes. The outsole is crafted from TPR, offering excellent grip and durability.
