

Tall Bamboo Plant Stand

Description

Elevate Your Plant Display with Style

Introducing our 77/97/117cm Tall Bamboo Plant Stand – the perfect fusion of nature and elegance. This versatile plant stand is designed to showcase your flourishing house plants or vibrant floral arrangements, indoors or outdoors. Crafted from high-quality bamboo, its dark brown finish adds a touch of sophistication to any space.

Three Sizes to Suit Your Style

- Large: 117.2cm – Ideal for making a statement in your living room.
- Medium: 97.2cm – Perfect for your balcony or patio.
- Small: 77.2cm – A charming addition to any corner in your home.

Features That Stand Tall

This vintage-inspired plant stand boasts a simplistic design that effortlessly blends into any decor, ensuring all eyes are on your beautiful plants. The tower structure provides stability and a robust load-bearing capacity, with each tier supporting up to 10kg (22 lbs).

Unveiling the Bamboo Beauty

Crafted from eco-friendly bamboo, this plant stand not only adds aesthetic appeal but also contributes to a sustainable lifestyle. The natural bamboo material complements the greenery of your plants, creating a harmonious display that soothes the senses.

Your Greenery, Your Way

Whether in the garden, on the patio, porch, office, or balcony, the Multilayer Bamboo Plant Stand adapts to any environment. Its versatility allows you to curate your own botanical haven, bringing a touch of nature to every corner of your home or outdoor space.

Specifications:
