

Telescopic Fishing Rod and Reel Combo

Description

Compact, Powerful, and Versatile Fishing Rod and Reel Combo

Take your fishing experience to the next level with our Telescopic Fishing Rod and Reel Combo, perfect for both beginners and experienced anglers. Whether you're heading out for freshwater or saltwater fishing, this lightweight yet powerful combo is designed to deliver outstanding performance.

Product Features

This fishing rod is made from high-quality carbon fiber, making it incredibly lightweight yet durable. Its telescopic design allows for easy portability, collapsing down to just under 20 inches, perfect for travel or on-the-go fishing trips. The reel features a smooth and efficient 19+1 stainless ball bearings system for seamless operation, paired with an impressive 8kg max drag for tackling bigger catches. Plus, the EVA handle provides a comfortable grip, even during long fishing sessions.

- Lure weight: 0.3-0.9 oz, line weight: 8-15 lb
- Premium carbon fiber construction for enhanced sensitivity and strength
- Baitcasting reel with a 7.2:1 high-speed gear ratio
- Durable ceramic guide rings to reduce line friction
- Max drag capacity of 18 lbs for handling larger fish
- 12-speed adjustable magnetic brake system for casting control
- EVA handle for ergonomic comfort
- Portable design, collapses down to under 20 inches for easy transport

Why You'll Love This Fishing Set

Our Telescopic Fishing Rod and Reel Combo is designed for anglers who want a compact, easy-to-carry set without compromising on power and performance. Its lightweight yet robust carbon fiber build makes it sensitive to even the slightest bites, while the ceramic guide rings ensure smooth, tangle-free casts. The 12-speed magnetic brake system lets you customize your cast based on wind and lure weight, ensuring optimal control. Whether you're fishing from a boat, shoreline, or stream, this combo has you covered.

Perfect for Any Fishing Adventure

Ideal for both freshwater and saltwater fishing, this combo is perfect for catching bass, trout, or even larger species. Its versatile rod length and fast action make it suitable for jigging, casting, or spinning, no matter the conditions. Whether you're an experienced angler or just starting, this fishing rod and reel set offers the flexibility and performance you need for a successful day on the water.

Get Ready to Catch Your Biggest Fish Yet!

Take this telescopic rod and reel combo on your next adventure and experience the thrill of reeling in a big catch.
