Product Features

Crafted with care, this dress boasts the following standout features:

- **Material Composition:** Made from a premium blend of polyester and lyocell, offering a soft, breathable feel that drapes beautifully.
- **Design:** A timeless straight silhouette with a mid-calf length that provides a flattering look for all body types.
- **Sleeve Style:** Elegant butterfly sleeves that add a touch of sophistication and movement.
- **Neckline:** Classic O-neck design for a refined, polished appearance.
- **Belt Detail:** Comes with a matching belt to cinch the waist and enhance your natural shape.
- **Closure:** Pullover style for easy wear and comfort.

Why You'll Love It

This dress is the perfect blend of fashion and function. Its non-stretch fabric maintains its shape throughout the day, while the woven texture ensures durability. The loose waistline allows for comfort without compromising style, making it ideal for busy days when you need to look polished and put-together.

When to Wear It

The Vintage Commuter Long Dress is your go-to for a range of occasions. Its formal yet relaxed design makes it suitable for workdays, while the stylish belt and elegant sleeves make it perfect for social gatherings and evening events. Embrace the autumn season with this classic piece that seamlessly transitions from day to night.
