- **Color Options:** Available in classic White, Coffee, and Black to suit any style.
- **Style:** Urban simplicity with a vintage twist, perfect for any occasion.
- **Straps:** Single strap for comfortable shoulder or crossbody wear.

Why This Bag is a Must-Have

Our Vintage Square Crossbody Bag is the perfect blend of style and practicality. The high-quality split leather provides durability while maintaining a luxurious look. Its square shape adds a structured, polished appearance, making it a versatile piece that pairs effortlessly with both casual and formal outfits.

The metal lock closure not only adds a touch of vintage charm but also ensures your belongings are kept secure. The flap pocket on the exterior is ideal for easy access to items like your phone or keys, while the interior slot pocket helps keep smaller essentials organized. With its sleek design and practical features, this bag is perfect for daily use or special occasions.

Whether you're heading to a business meeting, a dinner date, or a weekend outing, this bag adds an elegant touch to your look. Its timeless design and classic colors make it a staple accessory that you'll reach for time and time again.
