

## Waterproof Bluetooth 5.0 Sports Earbuds with 20 Hours Playtime | Dual Wear Style Wireless Headset

### Description

### Wireless Freedom with Waterproof Durability

Elevate your workout experience with these Waterproof Bluetooth 5.0 Sports Earbuds, designed for the active lifestyle. Whether you're hitting the pool or taking on a rainy outdoor run, these earbuds are built to endure. With an IPX7 waterproof rating, they can withstand sweat, water, and rain, so you can stay in the zone no matter the conditions.

These versatile earbuds offer dual wear styles, allowing you to switch between in-ear and ear-hook designs for ultimate comfort and security during intense activities. Combined with Bluetooth 5.0 technology, you get seamless, fast connectivity up to 20 meters, ensuring your music never skips a beat.

### Unmatched Sound and Extended Playtime

Enjoy up to 20 hours of total playtime with the charging case, keeping your music going all day long. Each earbud delivers 3.5 to 5 hours of continuous use, and with the portable 650mAh charging case, you can recharge them 3 to 4 times on the go. Perfect for long hikes, gym sessions, or weekend adventures.

Experience crisp, HiFi stereo sound with built-in CVC 8.0 noise reduction, blocking out external distractions for an immersive audio experience. Whether you're listening to your favorite podcast or pumping up your workout playlist, these earbuds deliver quality sound every time.

### Key Features
