

Wireless Bluetooth Speaker

Description

Unleash the Power of Clear Stereo Music Anywhere!

Introducing our Wireless Bluetooth Speaker, the perfect sound box designed for your outdoor adventures. Whether you're hiking, camping, or just enjoying a day at the beach, this portable subwoofer delivers an unparalleled audio experience that will elevate your outdoor escapades to new heights.

Key Features:

- Bluetooth version: v5.0 for seamless connectivity
- Powerful 5W speaker with full-frequency design
- 1800mAh battery for 5-6 hours of non-stop music
- IPX7 waterproof rating for worry-free outdoor use
- Built-in noise-cancelling microphone for clear calls
- Compact and lightweight with a durable braided lanyard

Your Outdoor Adventure Essential

Designed with your active lifestyle in mind, our Wireless Bluetooth Speaker is the perfect companion for all your outdoor activities. The 360° surround sound creates an immersive music experience, making every moment memorable. The compact design ensures easy portability, and the braided lanyard allows you to carry it effortlessly, whether it's in your hand or attached to your backpack.

Unmatched Sound Quality

Experience rich sound and deep bass that goes beyond the speaker's compact size. The full and round sound effect will captivate your senses, providing a soundtrack to your adventures. With

Bluetooth 5.0 technology, you can enjoy wireless freedom without compromising on sound quality. The 1800mAh battery ensures you won't miss a beat, keeping the music playing for extended periods without needing a recharge.

Your All-Weather Music Companion

Don't let the elements stop you from enjoying your favorite tunes. With an IPX7 waterproof rating, this speaker is built to withstand splashes, rain, and more. So, whether you're chilling by the pool or caught in an unexpected drizzle, your music will keep playing, creating the perfect ambiance for any outdoor setting.

Product Specifications:

- Bluetooth Version: 5.0
