

## Women's Raw Edge Slit Flare Pants

### Description

## Elevate Your Style with Raw Edge Slit Flare Pants

Step into the latest trend with these stunning Raw Edge Slit Flare Pants for women. Designed to elongate your legs and offer a chic, modern silhouette, these pants are perfect for fashion-forward women looking for both comfort and style. With a flattering flare cut and edgy raw edge hem, they add a touch of uniqueness to any outfit. Whether you're dressing up for a night out or keeping it casual, these versatile pants are your go-to wardrobe essential for Spring 2024.

## Why These Flare Pants Are a Must-Have

These pants are not just about fashion—they are about making you feel confident and stylish with every wear. Made from a premium blend of cotton, polyester, spandex, viscose, and lyocell, they offer a soft yet durable fabric that feels great against the skin. The slight stretch ensures a comfortable fit, while the raw edge and subtle side slit detail add an extra dimension of style. Perfect for showing off longer legs and creating a sleek, modern look, these flare pants are a must-have addition to your wardrobe this season.

## Key Features

- High-quality fabric blend of cotton, polyester, spandex, viscose, and lyocell for comfort and durability.
- Flare cut with raw edge hem and slit detail for a trendy, edgy look.
- Slight stretch for a comfortable fit that moves with you.
- Low-rise waist and button fly closure for a flattering, classic fit.
- Ideal for Spring and Summer fashion, perfect for casual or dressy occasions.
- Full-length design for a sleek, leg-lengthening effect.

## Perfect for Any Occasion

These Raw Edge Slit Flare Pants are versatile enough to wear for any occasion. Pair them with a sleek blouse and heels for a night out, or dress them down with a casual top and sneakers for a relaxed day look. Their classic yet trendy design makes them suitable for everything from weekend outings to casual work settings. With their comfortable fit and unique style, they're sure to be your go-to pants for Spring 2024.

## Size Chart

Size	Length (cm)	Waist (cm)	Hip (cm)	Foot Girth (cm)
24	98.4	61	80	47
25	99.7	63.5	82.5	48
26	101	66	85	49
27	102.3	68.5	87.5	50
28	103.6	71	90	51
29	104.9	73	92.5	52
