Designed to bring a cozy and modern touch to your bedroom, desk, or living room, this lamp offers warm, inviting light that can be adjusted to suit your needs. Whether you're reading, studying, or simply relaxing, this lamp creates the ideal ambiance for any activity.

Versatile Lighting Options

Our Wood USB Table Lamp features three convenient lighting options:

- **Button Switch:** Provides a steady warm light with a simple on/off function, perfect for consistent lighting needs.
- **Dimming Switch:** Allows you to adjust the brightness to your preference, offering flexibility for different tasks and moods.
- **Remote Control Switch:** Includes a remote control for ultimate convenience, enabling you to switch between white, warm, and neutral light, and adjust brightness from a distance.

Charming and Functional Design

This lamp is crafted from high-quality wood and features a fabric shade, creating a natural and elegant look that complements any decor. Its portable design allows you to easily move it around your home, making it a versatile addition to your lighting collection. The yellow body color adds a cheerful touch to your space, while the modern style ensures it fits seamlessly into contemporary settings.

Key Features

- **USB Powered:** Conveniently powered by a 5V USB plug, making it easy to connect to various power sources.
- **LED Bulbs:** Uses energy-efficient LED bulbs (not included) for long-lasting illumination.
- **Durable Materials:** Made from wood and textile with a fabric shade for a sturdy and stylish finish.
