

## X3 Violent Blower Fan: Pocket King Kong Turbofan with LED Lighting

### Description

## Experience Unmatched Cooling Power with the X3 Violent Blower Fan

Introducing the X3 Violent Blower Fan, also known as the Pocket King Kong Turbofan, a revolutionary handheld cooling device that redefines the standards of portable fans. Designed by Xiaomi, this turbocharged fan is engineered to deliver a blast of refreshing air with its powerful motor, reaching an astonishing wind speed of 52m/s at an incredible 130000 RPM. But that's not all – it also features built-in LED lighting for added convenience and functionality.

With its lightweight and portable design, the X3 Violent Blower Fan is the ultimate companion for staying cool on the go. Whether you're lounging outdoors, working in a stuffy office, or simply relaxing at home, this handheld fan provides instant relief from the sweltering heat.

### Key Features:

- 130000 RPM Turbocharged Motor
- 52m/s Wind Speed
- LED Lighting for Illumination
- Four Adjustable Speed Levels
- Long Battery Life – Up to 2 Hours
- Compact and Portable Design

### Benefits of the X3 Violent Blower Fan:

- Instant Cooling Relief: Experience rapid cooling anytime, anywhere with the X3 Violent Blower Fan's powerful airflow.
- Portable Convenience: Its compact size and lightweight design make it easy to carry in your bag

or pocket for on-the-go cooling.

- **Multi-Functional LED Lighting:** The built-in LED light not only illuminates dark environments but also features an SOS distress flashing function for emergencies.
- **Extended Battery Life:** Enjoy uninterrupted cooling for up to 2 hours on a single charge, perfect for outdoor adventures or extended use.
- **Customizable Speed Settings:** Choose from four adjustable speed levels to suit your cooling preferences, with a maximum speed of 130000 RPM for intense cooling.

Transform your cooling experience with the X3 Violent Blower Fan – the ultimate blend of power, portability, and convenience. Don't let the heat slow you down – stay cool and refreshed wherever you go with innovative turbo fan.

Order yours today and take the first step towards a cooler, more comfortable lifestyle!
